AWARENESS WEEK

 **resolve**
THE NATIONAL INFERTILITY ASSOCIATION

FERRING
PHARMACEUTICALS

Let's continue to #TalkAboutTrying

THIS NATIONAL INFERTILITY AWARENESS WEEK

(April 21-27, 2019), help us continue to raise awareness and support those navigating fertility issues by sharing a Twitter, Facebook or Instagram post with the hashtag **#TalkAboutTrying**.

Join the conversation by using the hashtag and sharing a message of hope, a story that touches your heart or a photo that makes you smile. You can also **download suggested posts and visual assets** to use on social media via the **QR code** in the right corner.

This year, Ferring Pharmaceuticals will again **donate \$1 to RESOLVE**: The National Infertility Association for each use of **#TalkAboutTrying** during NIAW. This donation will help them continue their mission of providing timely, compassionate support and information to people who are experiencing infertility.
